

MX_ADC1_Init

```
graph LR; A[MX_ADC1_Init] --> B[Error_Handler]; B --> C[_Error_Handler];
```

The diagram illustrates a sequential flow of three components. The first component, 'MX_ADC1_Init', is represented by a gray rectangular box. A dark blue arrow points from its right side to the second component, 'Error_Handler', which is a white rectangular box with a black border. Another dark blue arrow points from the right side of 'Error_Handler' to the third component, '_Error_Handler', also a white rectangular box with a black border. The components are arranged horizontally from left to right.

Error_Handler
