

Mat::swap_Rows

```
graph LR; A[Mat::swap_Rows] --> B[_Error_Handler]
```

A diagram showing a call from the function `Mat::swap_Rows` to the function `_Error_Handler`. The `Mat::swap_Rows` box is shaded gray, and the `_Error_Handler` box is white. A blue arrow points from the right side of the `Mat::swap_Rows` box to the left side of the `_Error_Handler` box.

_Error_Handler
